

RESTORING A CREATIVE VISION FOR PERSONAL & COLLECTIVE RENEWAL

Presentation by Karla Broady

**“THE VISION OF AN ORGANIZATION
IS THE FURTHEST IT CAN SEE . IT
IS LOOKING INTO THE FUTURE,
DREAMING TOGETHER,
PREDICTING IMPACT, FLEXING
THE IMAGINATION MUSCLE, AND
SAYING ALOUD WHAT WE LONG
FOR”**”

-Adrienne Maree Brown

GROUNDING IN OUR VALUES

WHAT 3 VALUES ARE MOST IMPORTANT TO YOU?

WHAT HAS HELPED YOU FIND YOUR WAY IN THE DARK ?

**WHAT HELPS YOU FEEL
CONNECTED TO YOUR PURPOSE?**

CENTERING AND VISUALIZATION EXERCISE

- Think back to when you were a child, what would have helped you feel a greater sense of value, appreciation and belonging in your school, classroom environment?
- What images reflect these values?
- What would you need to see reflected in your organization, school etc. to remember that you that you are powerful, abundant, connected, worthy, courageous, generous etc.?

A few
Examples
of
visionary
futurist
art

USING COLLAGE MATERIALS, CREATE YOUR HIGHEST VISION FOR OUR FUTURE- WHAT DO YOU LONG FOR?

Use your imagination, think beyond what you've seen before, maybe even beyond what you believe to be possible

A perspective view of a metal walkway bridge with a grid floor and blue railings, leading into a dense, lush green forest. The text "SHARE YOUR VISION" is overlaid in large, white, bold, sans-serif capital letters across the center of the image.

SHARE YOUR VISION
