

SCRR 2024 Summer Institute for Educator Healing Registration Information

The Summer Institute is offered at no cost (as usual). AND! We have a new move this year: we invite you to consider an optional, scaled payment for your educator healing experience. We welcome all participants, regardless of the option they choose.

Review the information below, and when you register you'll be able to select if you wish to pay, and the dollar value you wish to contribute if desired.

Upon submitting your registration you will receive a registration confirmation from Zoom. There is one registration link for all three days: come to one session, come to one day, come to some, come to all! In or out or the whole experience - we welcome you for as much as you can and want. One link, one door.

Why this and why now?

- This is our final year in our current funding stream and all dollars that we receive from the Summer Institute go directly back into our Year 5 programmatic budget so *that* we can provide as many no-cost trainings, potential in-person retreats, and learning experiences that we can this year.
- We are not charging for profit; we are charging to increase services with our high-quality Faculty and our offerings for you and your community.

How does this work?

- We are offering a scaled pricing structure for the 2024 Summer Institute for Educator Healing.
- To be clear, payment is optional! Attending at no cost (\$0) is still available to you and you can select to pay or not pay at registration.
- The scaled pricing offers you options to consider rather than one fixed price.
- There is one registration link for all three days and we are inviting you to pay once for your entire experience (e.g., if you come all three days, you'll still pay once!).

What am I getting by paying?

- The price covers the three days - August 6 - 8, 2024 (9:00 a.m. – 12:30 p.m. PT / 12:00 p.m. – 3:30 p.m. ET) of rich learning.
- If you need/want CEs, we pay for those fees.

Not sure what to pay?

If you wish to pay for the Summer Institute, but aren't sure how much, here are some considerations to help you decide your payment.

Please note: based on our calculations, if payment were mandatory, the cost per participant would be \$200.

Scale Option	What does this mean	Payment
<i>Solidarity</i>	Pay what you can	\$0 to \$200
<i>Sustain</i>	50% of the price	\$100
<i>Full Cost</i>	100% of the price	\$200
<i>Redistribution/Pay it Forward</i>	More than 100% of the price	\$200+
<i>Other</i>	Up to you!	Any \$ amount you wish

We trust your judgment, reflection, and knowing of all your circumstances (either individual or organizational) to make the call. We welcome you no matter what!
